GOVERNMENT OF MYSORE

From.

The Inspector General of Prisons.
in Mysore.

To.

The Secretary to the
Government of Mysore.

Sir.

I have the honor to bring to the notice of Government for their kind and favorable consideration the necessity for the revision of the Office establishment of the Inspector General of Prisons.

2. The Office of the Inspector General of Prisons was, as you are aware, held by the Chief Judge for the last 25 years. During that period, a major portion of this office work was being done by the officials of the Chief Court while the two Jail Clerks attended to the remainder of the work.

3. Since I assumed charge of the office of the Inspector General of Prisons, these two officials alone / Examiner Jail Returns and the Jail Clerk / have to do all the work of this office. Now the work is on the increase. Con-

— sidering

- sidering the responsibility involved on these two officials and the work they have to discharge in this office, I think it is hardly possible to expect them to carry on the work satisfactorily.

4. I therefore submit for early sanction of Government a proposition statement for the Revision of the office establishment of the Inspector General of Prisons, which I hope will meet with the favorable consideration of Government.

5. In this proposal, I have recommended the Examiner for his maximum salary, and an increase to the Clerk with an extra Clerk, without putting the Government to any extra expense on this account.

6. In future these officials will be borne on a separate Estimate as the "establishment of the Office of the Inspector General of Prisons".

I have the honor to be,

Sir

Your Most obedt Servant,

Surgeon Lieut Colo

Inspector General of Prisons
